

# PRE-CAMP HEALTH SCREENING 2021

Dear Camp Families:

In an effort to minimize illness at camp we ask that you check on the health of your camper(s) daily beginning 10 days prior to camp. The best camp session starts with healthy campers and this begins at home.

Please indicate if your camper has any of the following symptoms prior to camp and record their temperature daily. Please fill out a new sheet for each camper and make sure to bring it on camper drop-off day. If any temperature or symptoms are present, please have your camper evaluated by a licensed health care provider and contact [info@campkita.com](mailto:info@campkita.com) for further guidance. **Each camper (and staff) is required to provide proof of a negative PcR test as close to 72 hours prior to arrival to camp OR have proof of full vaccination.** Proof of which needs to be provided along with this document.

### Symptoms:

- Cough (dry)
- Shortness of breath
- Fever
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell
- Nausea
- Vomiting
- Diarrhea

### Action Required

Camper's Name: \_\_\_\_\_

1) My child has not been around anyone with any of the listed symptoms or diagnosis of COVID-19 in the 10 day prior to the start of camp.	_____ Initial
2) No one in the campers household has been sick with any of the listed symptoms or diagnosis of COVID-19 during the 10 days prior to camp.	_____ Initial
3) My child has not traveled by air in the 10 days prior to camp.	_____ Initial

Action Required

*Guardians, please sign below to indicate that the health screening has been completed for 10 consecutive days prior to camp. It is understood that arriving healthy to camp is crucial for a great experience for everyone. Please remember to bring this to camp drop off and provide it to the camp nursing staff.*
